Midd Team Loses Lawrence Debate

The University of Vermont won the annual Edwin Winship Lawrence prize debate between Middlebury and U. V. M. held May 4 in Munroe 303. Philip G. Hull '49 and Debora E. Nye '50 represented Middlebury taking the affirmative on the question "Resolved: That Henry Wallace is deserving of widespread popular support for the presidency."

Leona Felix of U. V. M., was awarded the first prize of $25.00; Mr. Hull, second prize of $15.00; and Barbara Clark of U. V. M., third prize of $10.00. The prizes, which were established by Mr. Lawrence, a Rutland lawyer, were awarded by Prof. Almon Ives of Dartmouth College.

Middlebury will debate with Williams College, Friday, May 14, in Munroe on the question, "Resolved: That state socialism is compatible with democracy." Roswell T. Edwards, Jr. '49 and Mr. Hull will take the affirmative side for Middlebury. This debate will be published in the *University Debaters' Annual*, a handbook of twelve of the best college debates in the country. A Middlebury debate has been published in each edition of this book for the past thirteen years which is considered quite a feat because the policy of the editors has been never to use debates of the same college for two years in succession.

Coached by Perley C. Perkins, the debating team will complete this year with a record of six wins, four losses. Debates were won from Boston University, Brooklyn, Gettysburg, Harvard, Tufts, and Buffalo; and lost to Dartmouth, M.I.T., St. Mary's and U.V.M.

Hickcox, Hoffmire, Drysdale Selected Mt. Club Officers

F. Bronson Hickcox '49 has been elected president of the Mountain Club and Philip W. Hoffmire '49 and Margaret Drysdale '49, co-chairmen of the 1949 Winter Carnival, it was announced today by Charles A. Butts '48, retiring president of the club.

Other members of the Mountain Club governing board are: F. William Kroeck '49, treasurer; Dorcas R. Neal '49, recorder; Doris W. Gould '50, commissary; Lawrence M. Smith '49, trails and cabins; Donald A. Belden '50 and Margaret A. Teachout '50, membership and equipment; and Norman E. Joslin '49 and Joan Metzger '50, publicity.

Carol E. Carlton '50 was elected to permanent Skyline, the senior branch of the Mountain Club from which the governing board is chosen.

Policy Committees Meet To Discuss Advisory System

Improvements for the present advisory system were discussed at a joint meeting of the Student and Faculty Educational Policy Committees in the Old Chapel Room, Monday afternoon, May 10.

The chief suggestions for improvement of the present advisory methods were 1) a more equitable distribution of advisory duties, 2) a greater accessibility of advisors, 3) a greater familiarity of advisors with courses offered by other departments, and 4) a professional vocational guidance director who might facilitate the above objectives and be able to tie in fields of study with future professions, a need felt by many students.

The committee also discussed the possibility of augmenting the present advisory staff with junior advisors who would be students from the upper classes. Both student and faculty reaction to this plan indicated that a more mature, experienced vocational advisor would be more beneficial.

The committees agreed to the need for tests to measure academic aptitudes, vocational and social preferences. This objective method of determining a student's aptitudes would prevent students from choosing their majors arbitrarily.

Robert R. Wilson, assistant professor of psychology, experimented this year with a plan, featuring these tests. It is hoped that next year Mr. Wilson will have additional time to administer interest and aptitude tests to students on a larger scale.

Dr. Stephen A. Freeman pointed out that the primary purpose of the Educational Policy Committee is to bring about long-range, permanent changes rather than immediate action. He stressed the value of individual student opinion, as reflected by the eight student representatives.

Student committee members present were Charles P. Puksta '49, chairman; M. Patricia McFarland '49, secretary; Paul J. Vyrros '48, Walter T. Savage '50, Katherine H. Spaulding '48, Elaine W. Arrington '49 and Mary C. Fisher '49. Those present from the faculty committee were Doctor Freeman, chairman; Walter H. Clark, associate professor, secretary; Prof. Reginald C. Cook; Prof. Raymond H. White; W. Storrs Lee, dean of men; Mary F. Williams, dean of women; Prof. Harry M. Fife; Prof. P. C. Voter; and Prof. Benjamin F. Wissler.

Mildred E. Clarke '49

Alma Mater Vote Delayed Until Fall

Final voting for an Alma Mater was postponed indefinitely as a result of the vote taken in chapel Friday and Saturday, May 7 and 8. One quarter of the votes cast were in favor of carrying over the matter until another year.

Total tabulations were 153 for "Walls of Ivy," 123 for "High on the Hill" with the old words and 137 for the revised version, 58 for "Gamaliel Painter's Cane," 35 for "Where the Otter Winds the Willow," 20 for "O'er This Far-Famed Field of Battle," 12 for "Hymn to Middlebury," and 2 for "The Heavens Resound."

The men's vote, illustrating a high degree of dissatisfaction, was strongly in favor of postponing the decision. They seemed to like a song with spirit as indicated by their votes for "Gamaliel Painter's Cane." One of the few suggestions written on the ballots read "None of this maudlin 'High on the Hill!' Nothing too sentimental, please!"

The conflicting opinion of the men and women was evident in the vote for "Walls of Ivy" and "High on the Hill" which were most popular with the women.

Mortar Board suggested that the search be carried over until next year which will afford an opportunity for anyone interested in writing a song to compose it over the summer. During this period, the alma maters of various colleges could be obtained for purposes of comparison and ideas.

Mortar Board plans to continue the search for an alma mater next year in cooperation with representatives of the Men's and Women's Assemblies.

Stearns, Marvin, Clarke, Arrington Appointed Officers

Jane D. Baker '49 has been elected president of Student Union as a result of voting done by the entire women's college last Friday.

Mildred E. Clarke '49 was elected chief justice; Margaret A. Stearns '50, vice president; Marilyn A. Marvin '50, secretary; and Elaine W. Arrington '49, treasurer.

One of the main duties of the Student Union president is presiding over Women's Assembly, governing body of the women's college. Miss Baker is well-qualified for the position since she has been an Assembly member for two years and has been managing editor of the CAMPUS this year.

Miss Clarke, vice-president of the junior class and a member of Mortar Board, is the judicial head of the women's government.

The retiring officers of the Student Union are: M. Sue Cooke, president; Irmgard Nierhaus, chief justice; Louise M. Gerlitz, vice-president; Dorothy V. Britton, secretary and Jean Webster, treasurer.

Miss Stearns, who as vice-president has charge of Freshman Week, was awarded the Mortar Board cup this year. She is secretary of Women's Forum and an active participant in W.A.A. sports.

Junior Women Tapped In Chapel By Mortar Board

Elaine W. Arrington, Dorothy V. Britton, Mildred E. Clarke, Mary E. Hemeon, Jean D. Holmberg and M. Patricia McFarland were tapped for Mortar Board in daily chapel on Monday, May 10. The new members all from the junior class, were chosen on the qualities of service, leadership and scholarship.

Miss Arrington, who was class vice-president last year, is now a member of the Student Educational Policy Committee and the president of Kappa Kappa Gamma.

Miss Britton, secretary of Student Union and editor of the *Kaleidoscope*, was the winner of the Panhellenic scholarship last year.

Miss Clarke, who transferred to Middlebury last year, is class vice-president, chairman of step-singing, a member of the senior choir, and president of Delta Delta Delta.

Miss Hemeon is an assistant editor of CAMPUS, secretary of the 1949 Conference, and class secretary.

Co-chairman of the 1949 Conference, Miss Holmberg served as assistant editor on the 1949 *Kaleidoscope* staff.

Miss McFarland, who was awarded the Mortar Board Cup last year, is secretary of the Student Educational Policy Committee, was class social chairman last year, and is president of Pi Beta Phi.

Mortar Board is a national women's honorary society founded at Middlebury in 1912. In order to be tapped, women must attain an average of at least three points above the college average for the past five terms. This year's Mortar Board average was 83.15.

Each year Mortar Board undertakes a college project. This year's project was the publishing of a song book and the selection of a new Alma Mater. In addition Mortar Board helps in the orientation of freshmen and the enforcement of Student Union rules.

VOL. XLIV MAY 13, 1948 NO. 27

The Request

With this issue the reins of the CAMPUS fall into the hands of a new senior board. Each staff takes over with definite objectives and ideas in mind, and it is customary to state these and the future policy in the first editorial.

It will be our purpose to report accurately and fairly all news of interest to the students, to express student opinion, to analyze and take a logical stand on controversial problems, to bring up matters and urge corrective action, and, above all, to labor for what we consider the best interests of Middlebury College and its students.

Externally, the readers will notice little physical change in the paper. The type, headlines, and general layout approach will be retained. Internally, we will attempt to make certain modifications in office procedure to bring about more efficient production of the paper.

The positive editorial policy cannot be stated at present and will vary with the problem. We will attempt to present all the facts on controversial issues and take a definite stand, either pro or con.

Definite improvements have been made through the medium of the CAMPUS, but as the retiring editor stated last week, "There are new problems to conquer, but for my part, I bequeath them to my successor." We accept his bequest as a challenge and will attempt to follow in his footsteps.

Healthy?

Two quotations from the 1947-48 *Middlebury College Bulletin* have been read and discussed considerably in the course of the past few months. One states, "An infirmary is operated by the College for minor illnesses among the women. Each student is entitled each semester to care at either Porter Hospital or the Infirmary to the amount of $21.00. No doctors' bills will be paid for the students. For men students, the cost of the annual physical examination is deductible from the $21.00 allowance."

During the siege of intestinal grippe that struck the men, several questions were brought up. Why isn't there a wing in the Infirmary for men students? In the case of minor illnesses men must either enter the hospital or recuperate in the dormitory. Several days' stay in the hospital is expensive, and the hospitals are overcrowded. But is a dormitory a proper place for a sick person to regain strength, rest, and receive a proper diet?

Most of the men are attending Middlebury at present through the courtesy of the tax payers, and many have no financial support other than the monthly check from the government which, even with the ten dollar raise, is far from sufficient. A fifteen dollar health fee is included in the charges for each term. In return for this fee, each man receives twenty-one dollars' worth of care. In case of a lengthy or serious illness twenty-one dollars will not stretch far, and no doctors' bills will be paid by the College. There are many hospitalization and surgical programs where an invested fifteen dollars would offer far greater protection and considerable more security than is received under the Middlebury plan. The College does co-operate in a plan but the student must take out a policy independently. But shouldn't the possibility of each student taking out hospitalization through the College and utilizing some of the health fee be investigated by the administration?

The cost of the annual men's physical exam is deductible from the allowance. Physical examination in the service followed a pattern of mass production, but there was seldom a complaint about their lack of thoroughness. The mass production of the exams at Middlebury has been the subject of much comment for they are anything but complete. Admittedly, the doctors are overworked and their offices are filled to capacity during office hours, but some system should be worked out so that the students are portioned out to all the town's doctors for this exam so that the examinations will be thorough.

The other quotation states, "The College does not assume legal responsibility for the expense of injuries sustained by student athletes while training for or participating in athletic competition. It has been the policy, however, to pay for expenses within reasonable limitations defined by the Athletic Council."

As sports editor I brought up the question of an athletic insurance policy for the football team. Some players have been hurt and are faced with the necessity of expensive operations. If the expense incurred is within reasonable limitations, the bill may be paid by the athletic department. Isn't there some method to eliminate all the uncertainty of placing athletes at the mercy of the athletic budget? The director of athletics was contacted and he promised to investigate the possibility of some form of insurance and to inform this paper of the results. That was nine weeks ago, and no report has as yet been received.

Dr. W. E. Saunders, Noted Headmaster, To Speak In Chapel

Dr. Wilbor Eddy Saunders, headmaster of The Peddie School, Hightstown, N. J., will be the speaker at freshman-sophomore vespers on Sunday, May 16.

Doctor Saunders is a graduate of Brown University, where he was captain of the varsity debating team and a letter man on the track team, and of Union Theological Seminary in New York City and the Teachers College of Columbia University. He did graduate work at Cambridge University in England, where he played varsity tennis and soccer. He returned to teach English and Latin at the Horace Mann School in New York.

He has served as chaplain of the New Jersey State Reformatory, has also held pastorates at Baptist churches in Rahway, N. J., and Brooklyn, N. Y., and was executive secretary of the Rochester and Monroe (N. Y.) County Federation of Churches and of the Brooklyn Federation of Churches.

Under Doctor Saunders' leadership The Peddie School has made rapid advances in the field of secondary education. He is well known as a public speaker, having spoken to several hundred audiences in the last few years.

DePauw Prof. Lists Types Of Students

After fifteen years of lecturing, a professor of DePauw University has divided college students into eleven types. They are listed below:

"The athletic type—The academic processes hold no terrors for the hero of the gridiron. His fraternity brothers have a complete file of my lecture notes and examinations. It's a rare treat to find him in class. So nice of him to come.

"The playboy type—The morning after finds him in class in his roommate's shoes on the wrong feet. He drops his pipe but never quite recovers it. I hand it to him after class.

"The academic type—Probably the most objectional of all. The head is attached to the spine on a hinge and nods back and forth during the entire lecture and the mouth and eyes utter continually, 'Yes, professor. Yes, professor.'

"The negative type—All right brother, you put me in this class now just try to teach me something. You would put me in the front row. I can hear him uttering under his breath. 'For gosh sakes, let's get this over.'

"The lovey dovey type—Must be taken together for they are inseparable as two Siamese twins. Hearts and music, violets and poetry, these two love birds are majoring in Marriage and the Family.

"Camouflage—He always brings an armload of books to class to impress me, I guess. The boys are on to him, however, and someone is always picking on him. At the moment he's sitting on a tack and trying to get someone's feet off his back.

"The popular type—She had four fraternity pins this semester, three last, and spends her class hour twisting the ends of her beautiful hair. This little stunt is sure to drive any instructor insane.

"The wholesome type—Wears what every college girl should wear, acts like every college girl should act and talks like every college girl should talk—constantly. She's at it now.

"The clock watcher—I suppose she has wound her watch three times already. She always starts shuffling her feet and putting on her coat about 15 minutes before the end of the class.

"The sexy type—This would-be campus queen just loves the boys, all the boys, all the time. She doesn't care what the other girls think of her clothes, they're just jealous.

"The tardy type—Always bursts into the room in the middle of your most important statement. Of course, her seat is taken and the battle begins in earnest."

Letters to the Editor

(EDITOR'S NOTE: This column is for expression of ideas from readers. Signed letters containing not more than 250 words will be printed.)

Alpha Sigma Psi intended to sponsor a college lecture this spring. To those who have shown interest, we grudgingly report postponement until next fall.

Professor Leighton, who proposed the plan, suggested that the fraternities at Middlebury could contribute significantly to our academic life by sponsoring an annual series of lectureships—one from each fraternity, eight in all. With Mr. Leighton's moral and financial support, we were to sponsor the first one this spring with the idea that one success would provide a good beginning and a working model.

In February we started to look for a lecturer. We soon found that, as usual, ideals impose their own restrictions. A poor speaker would arouse no interest; at the same time, a large cash outlay, though possible in a single inst would make the eight-lecture pla expensive. Obviously, a good spe for little money was needed. Just a viously, such men are in great de elsewhere.

Still, they can be found. Ch Bowles and William Douglas, for stance, indicated that they would be ing to come for a modest fee. They to decline, however, because of commitments.

To bring such men here, arrange must be made well in advance and dates must be suited to their conveni That can easily be done; it only t time. We will provide a guest spe next fall.

ALPHA SIGMA P

Opinions of the Week

QUESTION: ***Do you think men (women) are here to stay?***

James Karney '50
New York City, N. Y.

In answer to this it would be best to examine the facts. What are women? and where is here? Being a most careful student of the well turned leg, I believe that I am qualified to answer this question. If here represents Middlebury and the women are represented by the lovelies (?) seen I believe the answer must be yes. I've always been unlucky.

Edwina B. Woodman '49
Wellesley, Mass.

No! Men are decidedly on the way out. (Last seen headed for Montreal). It has been statistically proved by the League of Women Daters of Middlebury (in collaboration with Dr. Kinsey et ali) that women prefer Camels 2 to 1. In view of this significant fact the future of men seems extremely precarious.

F. Bronson Hickcox '49
Watertown, Conn.

They are as long as men insist on fancy argyles and ski sweaters. When that demand ceases, they'll disappear . . . . they can't stay without some purpose in life.

Thomas M. Johnson '48
Camden, N. Y.

Since I wasn't here before women came to Middlebury (I arrived the year after they were admitted), I feel unqualified to answer this question. But I would c tainly miss the click of knitting need those warm friendly handshakes at o'clock on the steps of Forest West, the delightful Mortar Board initia ceremonies should they leave.

Kaye I. Sturges '48
East Orange, N. J.

Uh huh.

A. Gifford Eager '51
Larchmont, N. Y.

Perhaps, if of course they shape

John R. Mulroy, Jr. '50
Springfield, Mass.

Since my last date was farther than you'd care to pay taxes, I fee qualified as a drain pipe in Death Va In the lovers, we'll find the answer.

Phoebe C. Kasper '48
Scarsdale, N. Y.

I could not say. I can only h Familiarity breeds contempt—but ther a certain desirable sensation associa with contempt.

Julian A. Pollak, Jr. '49
Cincinnati, Ohio

When I asked Miss Carabillo, she "I'm definitely planning on it." It's fu though 'cause even the best laid plans wrong.

News In Paragraphs

The Marion L. Young scholarship award, presented annually to a woman in the freshman class, will be awarded Thursday, May 27, during daily chapel by Miss Barbara A. Wells, alumnae secretary.

Through this scholarship fund established and maintained by the Middlebury Alumnae Association in honor of Marion L. Young, $100 has been awarded annually since 1940 to a freshman woman selected on the basis of character, interest in athletics, leadership and service. The award this year has been increased to $125. Last year the scholarship went to Virginia Hardy '50.

Mary E. Hemeon '49 has been elected secretary of the 1949 Conference replacing Margaret A. Drysdale '49 who resigned.

Dexter C. Whittinghill '50, editor of next year's *Kaleidoscope*, has announced the following staff appointments: Lois J. Rapp '50, art editor; M. Jane Terpening '50, copy editor.

Veterans have until July 31 to reinstate lapsed term National Service Life Insurance without taking a physical examination. After July 31, veterans must pass a physical examination before lapsed or converted insurance can be reinsta except in cases where insurance has b lapsed for less than three months.

J. Rowland Illick, instructor of geo phy, participated in the New Eng Geographical Conference held at Welle College last Saturday, May 8. Mr. I is state vice-chairman of the confere

The Navy has opened a new flight tr ing program for college graduates, inc ing those students now completing t senior year. Such men, who have reached their twenty-fifth birthday, eligible to apply for commissions as sign with direct assignment to navy fl training. This program calls for years active service including a f month indoctrination followed by eigh months flight training and two years as a Naval aviator. Weekend Preview To Be Held Map 18

A rally previewing Junior Week-end will be held in McCullough Gymnasium, Tuesday, May 18 at 6.30 p.m. Robert E. Trimmer '49, assistant director of Middlebury Varieties, will act as master of ceremonies.

The six candidates for the Queen of Hearts title, Rae Adkins, Helen Kline, Madge Mehl, Buzz Myers, Pat Perkins, and Jan Smith will be introduced by Mr. Trimmer in order to help the members of the men's college decide how to cast their final votes. Final voting for the Queen will be held next Wednesday and Thursday in daily chapel.

Benjamin F. Bradley, Jr. '48, David E. Smith '48, Philip W. Hoffmire '49, and Philip W. Porter '50 will preview the variety show, "Some Other Time," singing two or three of the production's novelty numbers.

At the rally the raffle number will be drawn to decide what couple will be guests of the Junior Class for the week-end. The winner of this raffle and his date for Junior Week-end will be provided with room tickets, variety show tickets and a dinner at the Charter House. Raffle tickets will be on sale tomorrow in the Student Union Building and Munroe for ten cents a piece or three for twenty-five cents.

NEW BOOK LIST

The following selective list of new books received at the library during the month has been compiled by Mrs. Margaret W. Fayer, college librarian. A complete list of new books will be found in the library bulletin.

Borsodi, Ralph—*Inflation Is Coming*

Cecil, Lord David—*Two Quiet Lives*

Clark, C. E.—*A Hog on Ice*

Gershner, M. H.—*Finian's Rainbow*

Lamb, Harold—*The March of Muscovy*

Lerner, A. J.—*Brigadoon*

Maynard, Sir John—*Russia in Flux*

McWilliams, Carey—*A Mask for Privilege*

Murphy, R. C.—*Logbook for Grace*

Myers, J. M. (Midd '28)—*The Alamo*

Nelle, E. A.—*Donald of China*

Nissen, H. E.—*Where I Stand*

Sternberg, Fritz—*How to Stop the Russians Without War*

Schedule Of Alumni Dinners Concluded

The far-flung schedule of eighteen alumni dinners for the 1948 season, extending from Montpelier, Vt., and Concord, N. H., in the north, southward to Washington, D. C.; and from Boston in the East to Chicago and Milwaukee in the Middle West, was concluded with a dinner for seventy-four alumni and alumnae from western Vermont in the dining room of Forest East, Saturday evening, May 8. Murray Hoyt '26, president of the Middlebury District of Associated Alumni, acted as toastmaster, and Dr. John M. Thomas, former president of Middlebury College, and William Hazlett Upson appeared on the program.

During the series of dinners contact was made with about 1,250 alumni, alumnae, and friends of the college.

Pres. Samuel S. Stratton attended eight of the gatherings, reporting to the alumni on "The State of the College." At other meetings Prof. Perley C. Voter, Prof John G. Bowker, Coach Walter G. Nelson, and Mr. Upson appeared as chief speakers in place of President Stratton. A color newsreel of recent developments at Middlebury was a feature of all the dinners.

WOMEN'S ASSEMBLY

(*Continued from page 1*)

after the completion of two terms of college work. The showing of movie classics on Saturday evenings next year was also discussed. Patricia Allen '49, Barbara T. Myers '49 and Marilyn J. Murphy '51 were placed on a committee to work with the corresponding men's committee on arrangements for the presentation of these movies.

A letter from Robert F. Harris, editor of *Frontiers*, was read requesting student subsidization of the magazine. A suggestion that one dollar a term be charged on term bills for *Frontiers* for a probationary period of one year was sent back for dormitory discussion.

Middlebury Choir Sings In Boston

The Middlebury College choir of sixty-one mixed voices sang at Middlebury Night at the Boston Pops Concert, Tuesday, May 11.

Proceeds from the concert, which was under the sponsorship of the Boston District of the Alumnae Association, will go towards a scholarship for a member of the women's college in the junior class. Miss Paula G. Knight of Newton Center, Mass., was alumnae chairman of the concert.

H. Ward Bedford, head of the Music Department, directed the choir in the program of six selections. Many months of intense rehearsing were required in order to insure the success of this concert which lasted only twenty minutes.

The choir members left by chartered busses on Monday afternoon and returned early Wednesday afternoon.

In preparation for this performance with the Boston Pops, the choir presented programs in Vergennes, Fair Haven and at College.

The six numbers the choir sang in Boston were:

Exultate Deo ..... *Palestrina*
Virga Jesse Floruit ..... *Bruchner*
Come Again Sweet Love ..... *Dowland*
Hark All Ye Lovely Saints ..... *Weelke*
Rich Old Miser
New England Traditional
Every Time I Feel the Spirit
Arranged by Dawson

SAM'S BARBER SHOP

BOULDER SOCIETY HOST AT BANQUET

Boulder Society, the men's honorary society at the University of Vermont, was host at a banquet-conference Tuesday evening, May 4, at Burlington. The purpose of the conference was to extend the work begun last fall at a meeting of Boulder Society and Blue Key when the two met in an effort to stop vandalism resulting from football rivalry.

Honorary society members, representatives of student government and members of student newspaper staffs of Middlebury, Norwich, and St. Michael's attended the meeting. F. William Borst '48, Joseph F. Fuchs '48, William R. Johnson '48, Donald H. Henderson '49, W. Kyle Prescott '49, Charles P. Puksta '49, Charles S. Stewart, Jr. '49, David E. Thompson '49, George F. Ellison '50, and Peter L. Knight '50 were the Middlebury representatives.

KNOTHOLE

Lacrosse made its long-awaited debut as a competitive sport at Middlebury last Thursday when Curt Cushman's Panther squad tangled with the junior varsity of Rensselaer Polytechnic Institute.

The result, a 7-0 Engineer triumph, was hardly calculated to please the Middmen. However, the Middlebury team was far from disgraced. Although dominated by an experienced outfit, the Panthers made up in fight and determination what they lacked in finesse and experience.

Having heard rumors that this sport was nothing less than "murder," this sadistic observer decided to forego his usual afternoon's academic chores to be in on the fun. The results were amazing and bewildering to say the least. To begin with, the sport combined the bruising contact plays of football and hockey with the defensive and offensive formations used in basketball. The game also had a distinctive feature of its own, a webbed crosse stick shaped somewhat like a very loosely-strung tennis racket. I was informed by experts on the sport which the North American Indians used for amusement between scalping expeditions that the purpose of the stick was to carry a hard rubber ball which was hoped would eventually find its way into the opponent's goal cage for a score.

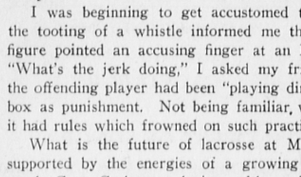
I soon discovered that this stick had other uses which players on both sides were not overlooking. For instance, by nudging an opponent on the arms, he was usually persuaded—discretion being the better part of valor—to surrender possession of the ball. If these reminders proved ineffective, more strenuous measures were in order. These measures consisted of conking the ball carrier over the head or throwing a body block into him.

The first time I saw these tactics employed, I immediately began anticipating a brawl. "Fight! Fight!", says I as I gleefully began visualizing all sorts of haymakers and uppercuts being struck. But what does the victimized ball carrier do? He runs off without even so much as giving his tormenter a dirty look. To paraphrase Tex Rickard, the great fight promoter of the Dempsey-Tunney era, "I never seed nuttin like it." Obviously this well-bred gentleman didn't belong in this "man's" game. Cricket, football, or bullfighting, yes; but in lacrosse, never! However, my expert-friends assured me that such incidents were trivial and commonplace. I soon learned that was indeed understatement.

I was beginning to get accustomed to this legalized assault and battery when the tooting of a whistle informed me that the game had a referee. A big, burly figure pointed an accusing finger at an R.P.I. player and bellowed, "One minute!" "What's the jerk doing," I asked my friends. They indignantly informed me that the offending player had been "playing dirty" and was being sentenced to the penalty box as punishment. Not being familiar with the game's finer points, I learned that it had rules which frowned on such practices as clipping and slashing.

What is the future of lacrosse at Middlebury? At present the sport is being supported by the energies of a growing and enthusiastic group headed by player-coach Curt Cushman playing with equipment either paid for out of their own pockets or borrowed from a Long Island school. In his book "Democracy in Sport," John R. Tunis, former *New York Times* sports writer, contends that the aim of physical education should be to provide the greatest possible mass participation. The faculty committee on athletics would do well to consider this view when they discuss financing the new sport.

A.E.M.



By Tom Ginty

Intramural activities were practically at a standstill because of the termination of the individual decathlon and the postponement of the Sig Ep-Alpha Sig track final; however the past week did produce two softball games. The Dekes walloped the Neutrals 25-10 last Thursday. Red McIlwain started for the winners and was removed after three innings, and Willie Galvin then finished up for DKE. The Deke hitters gave Neutral pitcher Jack Cran a thorough going over to the tune of twenty-five runs. Dave Ryan was the hitting star, cracking out four bingles in as many trips to the plate. The game was called at the end of five innings due to darkness, and the fact that the Neutrals were unable to get the Dekes out during that last hectic stanza.

On the same day KDR turned in a neat, 11-7 victory over Theta Chi. Jim Beck of the Ranchmen went the route scattering six hits for his second triumph of the season. Bob Fuller, Bill Stewart

R.P.I. Lacrossers Defeat Middlebury

On May 6 the newly formed Middlebury lacrosse team faced a stern test in the first orgainzed collegiate lacrosse game in the state of Vermont, losing to the R.P.I. Junior Varsity 7-0. A curious and interested crowd witnessed the battle and went home certain that this is one of the roughest of sports.

The Panther fledglings acquired valuable experience in their first outing in real competition. Lack of team play was often prevalent, and individual performances had to compensate for this. The Midd defense was good at times. In the goal Tom Metcalf turned in a commendable performance in organizing defense play and in stopping the Engineers' shots.

MIDD LINE-UP

Goal, Metcalf; point, Tine; cover point, Lewis; first defense, Poole; second defense, Schlesinger; outer, Deane; second attack, Hughes; first attack, Kroeck; in home, White; out home, Allen.

Spares: Guetens, Cushman, Mehlbach, Truesdale, Perryman, Shumway, Coursey, Romano, Barnett, Law, Caswell.

INAUGURAL

Action around the nets in the first lacrosse game played at Middlebury. An unidentified Midd player, in white, battles with some Engineers from the R. P. I. J. V. team. Midd lost 7-0.

Trackmen Defeat Hamilton College 80-46 At Clinton

Last Saturday the Middlebury track team moved into New York State and continued its undefeated season by winning victory number three at the expense of their hosts from Hamilton by an 80-46 score. Coach Brown's thinclads took everything that the weather presented in their stride, including wind, rain, frigid temperature and sleet, which, however, had a tendency to tone down individual performances somewhat.

The Blue and White tracksters quickly moved ahead in the point-getting, and it soon became obvious that the Yorkers were outclassed, especially in the running events, where the Panthers ended up with a 55-17 advantage. In the field it was a different story, however, and by cleaning up in the weights, Hamilton gained a slight 29-25 edge.

Irv Meeker came through again for the Middies in his usual style to walk away with three first places and individual honors for the afternoon. The big Middlebury star took both hurdle races and also the broad jump.

Whitey Pearlstein put on the best performance of the day when he fairly flew over the 100 yd. course in 10 seconds flat, but in so doing, he incurred a muscle strain that kept him from entering the 220, although the injury is not thought to be serious enough to keep him out for the remainder of the season. Whitey's running mate, freshman Don Sherburne, who had finished a close second in the century, took over in the 220 for the Panthers and won in 22.7 seconds to pick up 8 points and become second highest Middlebury scorer for the day.

(*Continued on page 5*)

Amherst Defeated By Midd Golfers

Tuesday afternoon on the Burlington Country Club course the Panther golfers won their third match of the season defeating Amherst 7-2.

In the first foursome Bob Boucher of Midd won his match 6 and 5 shooting a one over par 72 for the day's low score. Don Bates lost his match 2 and 1, and Boucher and Bates won their best ball 3 and 2.

In the second foursome Midd's Rollie Boucher won 4 and 2 and Jimmy Marchese downed his opponent 3 and 2. Amherst took the best ball one up.

Ray Nihan scored a top-heavy 6 and 5 victory over his opponent and posted the second lowest score of the day, a 74. Dick Westin picked up a Panther point by downing his man 4 and 3. Westin and Nihan won their best ball 6 and 5.

Golfers Top Colby Downed By Ephmen

Last Friday afternoon the Middlebury golf team waded through the rain and mud on the Burlington Country Club course to down Colby College of Waterville, Me., 8-1. The inclement weather kept the individual scores from being sensational, but the Panthers easily outclassed the visitors. Colby picked up its only point in the number 6 spot where Dick Westin of Midd lost to Colby's number 2 man by only one hole. The invading golfers switched their usual playing order in a vain attempt to pick up points.

In the first home match of the year played last Thursday on the Burlington course, the Panthers were topped 5½-3½ by Williams. The Williamstown golfers came north to avenge two setbacks handed them by Midd last year and did just that. Rollie Boucher picked up the Panther's first point by downing Bucky Marchese, brother of Midd's Jimmy, 3 and 2. The Blue and White golfers picked up two additional points when Bob Boucher won his individual match, and he and Jimmy Marchese teamed to win their best ball match. Ray Nihan scored the ½ point for Midd by tying his individual match.

Against R. P. I. last Wednesday on the hilly Troy Country Club the golfers scored 4½ points to tie the Engineers. Bob Boucher, Ray Nihan, and Dick Westin won their individual matches and Nihan and Westin won their best ball. Midd picked up a half point when Bob and Rollie Boucher halved their best ball.

Panthers Down Cadets; Win Over St. Michael

Lead State Series With Three Wins

Using six hits to produce six runs the Panther baseball team took a tighter hold of the State title on Tuesday afternoon by downing St. Mike's 6-4, at Winooski Park. It was the fourth victory in a row for Midd and the second win at the expense of St. Mike's. It was also their third State win.

Steady Ferdy Vetare again went the route and proved he still held the Indian sign over St. Mike's as he let them down with four runs and six hits. He had previously shut them out, a week ago Tuesday, May 4.

Jack Mulcahy and Walt Maurer wielded the big bats for Midd as Jock drove in two runs with a triple and Walt pushed across the winning runs when he singled with two aboard in the seventh frame.

Saturday the team will play Williams College on Porter Field at 2.30. Last year Williams topped the Panthers, and the Ciccolellamen are out for revenge.

Ciccolellamen Beat Union's Enstice 8-6

The Middlebury nine racked up its second straight win last Wednesday afternoon at Porter Field, as they pinned an 8-6 loss on Union College.

This victory avenged last year's defeat administered by Union and it's ace righthander, Hal Enstice. The bespectacled Long Islander lasted the full distance but faltered in the eighth frame when the Panthers scored four times as they went out in front to stay. Jack Mulcahy's ringing double in that stanza was the telling blow. After Mike Hunt skied to left, Coppinger singled, Corbisiero walked and Forbes singled in a run. Then came Mulcahy's double which drove in two runs followed by Kailey's fly to right scoring Mulcahy after the catch.

The Panthers got one marker in the first frame via singles by Barquin and Forbes, and Coppinger's scoring fly, and added three more in the fifth as they took advantage of Armstrong's error coupled

(*Continued on page 5*)

Mulcahy Safeties Pace 10 Hit Attac

Last Saturday afternoon a surprisi large number of frozen spectators nessed Middlebury's second baseball tory in Vermont State Series play. visiting Horsemen from Norwich down to defeat 5-2 before the curve offerings of Bill Confrey who fa 11 and held the visitors to five sing His amazing curve, mixed with a fast had the Cadet stickers backing away the plate only to watch the ball across. He seemed to get stronger as game progressed and little base runn was done by the Horsemen in the clo innings.

The Panther attack was paced by rejuvenated Jack Mulcahy who slas out three of Midd's ten safeties inclu a double. Mulcahy, who was in a slump most of last season, is now lead Midd's murderer's row with a .450 a age—9 hits in 20 times at bat. Con helped his own cause with two sing one of which batted in a run.

The contest was marred by the weath man, who provided threatening sk tricky winds, and cold weather. only spectators to thoroughly enjoy game were those snugly seated in many cars along the road.

Norwich opened the scoring in the half of the first inning on a walk, a sac fice and a single. Midd evened the co in the bottom half of the fourth on by Mulcahy, Buonerba, and a fielde choice. Norwich forged ahead once m on the first of catcher Sterling Melend two singles, an error and a fielder's cho In the home half of the sixth the B and White forces sewed up the ba for keeps. Mulcahy led off with a doub Buonerba was safe on an error wh moved Mulcahy to third. Buonerba st second. Kailey's squeeze bunt sco Mulcahy and Confrey's single sco Buonerba. The Panthers scored two m runs in the seventh inning.

Sterling Melendy, the Norwich catch demonstrated again his all-around athle ability. He is a scrappy backstop; he the captain, chief and play maker on Cadets' hockey sextet; and just last w he was low scorer for the Norw golfers as they were topped by Michael's. He shot an under par 68.

Che Che Barquin is pounding the ball a consistent clip and is well over the mark. Last year the fiery little athl led the club in batting, stolen bases, total bases.

Jack Valentine has the fielding style Dom DiMaggio and the rifle arm of Do brother Joe.

There are only two more home game Williams this Saturday and U.V.M. this month.

WAA Stars Feted At Annual Banquet

W.A.A. feted thirty-five of the outstanding athletes in the women's college at its annual spring banquet held at Dog Team Tavern last Tuesday night. The occasion was marked by the presentation of numerals to winning team members, letters to those who received All-Midd honors during the past year, and white W.A.A. emblems to complete the blazer-seal ensemble awarded the girls who recently made the 1000 point goal.

Active members of the women's ski team were also invited which brought Nat Benson, Peg Curtis, Bobby Merriman, Margy Packard, Jean Smith and Bett Sutherland to the Dog Team spread. Cam Buzby, W.A.A. president, acted as toast mistress and Dean Mary Williams gave a short address.

In preparation for the election of next year's officers, W.A.A. will draw up a slate of candidates at the end of the week. The 1947-48 officers have been: Cam, president; Peg Drysdale, vice-president; Lois Rapp, secretary; Jan Goeltz, treasurer; and Jo Selleck, cabin manager.

Suggestions for the revision of the point system are being given tentative consideration by the Council. The excessive expense incurred by the large number of jackets awarded this year is a major reason for considering the revision.

Middlebury Tops Union College 8-6 On Porter Field

(Continued from page 4)

with Maurer's pinch walk and singles by Barquin and Farrel.

Union tallied four times in the second inning as they prepared Newman for an early shower. Jim gave up a walk and a single, got the next two men but then allowed two singles, a double and a walk.

Bud Burkewitz, Bill McKinley and John Whitton saw action in relief, Whitton's one-inning stint being enough to gain the decision for him. Jack looked good in the ninth as he struck out the first two batters, yielded a walk and got the last man on a fly to right.

Midd Netmen Blank Colby In 6 Matches

Middlebury's hard-swinging netmen opened their home season last Thursday by turning in a resounding 6-0 whitewashing at the expense of Colby College. In winning, the Panthers displayed considerable improvement over their play of the previous week when they bowed to Union by a 7-2 score.

The entire meet was played under threatening skies. Just after doubles play had begun, an ever-increasing downpour made it necessary to cancel the remaining three doubles matches.

In a hotly contested match between the two number one players, Middlebury's captain, Bob Parker, took the measure of Colby's captain 8-6, 6-2. Parker's steady attacking net game proved too powerful for the Colby player to overcome.

In the longest match of the afternoon, Al Rice outlasted his opponent by a score of 6-2, 4-6, 6-4. In winning, Rice was aided to a considerable degree by the errors of his Colby opponent.

In the number three match, Felix Rohatyn put on a dazzling display of defensive tennis in withstanding the cannonball services of his adversary. Rohatyn's winning score was 6-3, 6-2.

In the remaining matches Hal Richardson, Don Axinn, and Scott Buzby won their matches in convincing fashion.

SAILORS SWAMPED; FINISH IN 9TH PLACE

Middlebury's Sailing Club which has been enjoying a relatively successful season ran "afoul" last Saturday and Sunday and finished next to last in a field of nine at the New England Dinghy Championships held at the Coast Guard Academy. Yale copped the event by a margin of 11 points with Brown the second highest team. Middlebury had previously defeated Brown. Skipper Bob Bennitt and Bill Fincke as his crew and Co-Skippers Bill Johnson and Al Perry comprised the Midd fleet. The weather was unusually rough with winds up to 40 m.p.h. sweeping across the river.

OVER THE WALL

(Continued from page 4)

and Jack Hagan did the pitching for Theta Chi, and Jack Kofoed of the same team blasted a round-tripper for the big blow of the game.

In a non-scheduled baseball contest last Sunday the DUs beat ASP 2-1. Dex Whittinghill and Joe Fuchs combined to hold the Alpha Sigs to three hits, one each by Bill Miller, Steve Judson and Mert Stevens. Al Mapes and Ernie Hunter chucked adequately for ASP but were not given the necessary scoring support.

Great Tune—Great RECORD
It's Bob Eberly's waxing of "You Can't Run Away From Love."—Decca Record Release

BOB EBERLY, the romantic ballad singer, gives some old but good advice to cuddlesome-twosomes on this click-disc.

And Bob has another good word for smokers. As Bob sings it, "I've tried a lot of different brands of cigarettes—but Camels suit me best."

Try Camels on your "T-Zone"—T for Taste... T for Throat. See for yourself why, with Bob Eberly and countless other smokers who have tried and compared, Camels are the "choice of experience."

R. J. Reynolds Tobacco Co. Winston-Salem, N. C.

More people are smoking CAMELS than ever before!

Pin-Points

Alpha Xi Delta

It certainly looks as though a gay week-end's in store for Ye Alpha Xis. Professor Bowker has graciously offered us the use of his cabin on Lake Iroquois.

Jacque Snyder is now sporting the golden quill over her Delta Tau Delta attraction.

Bett Carroll is having a rough time to convince numerous persons that she came in contact with Poison Ivy while sketching for Art 26.1 (Hmmmm).

Attention all: Final score, Alpha Xis 7, KDRs 3½! 'Nuff said?

Delta Delta Delta

We kept the Sabbath wholly hilarious when our initiation banquet was held at Dog Team. Those eligible for an increase in dues are: Nat Child, Phyl Cole, Meg Curry, Julie Ellis, Mary Hench, Jane Hyde, Jean Maintain, Gret Reger and Pat Ray. We asked Dr. Nash to be our toastmaster, because he can master toast better than anyone we know. He couldn't come because of a previous engagement—with a medium who promised him faithfully he would contact a certain spirit with initials J.M.

Half the sorority went to Dartmouth for the weekend—none came back with a key, but all came back green . . .

Peg Stearns brought home a Mortar Board cup full of bacon to N-u-u-gent by winning the Pan-Hel raffle. "Oh, it was nothing," she said simply, blushing becomingly. "Peg . . ." "Jim . . ." "Let's eat."

Our prexy "Mishka" Clarke is overladen with ribbons. To the silver, gold and blue were added more silver and gold Monday morning. Mortar Board, hey.

Sturges had a big week . . .

Kappa Delta

In the Kappa Delta entertains department—top billing goes to the coffee held last week for administration and faculty members. Away from an intellectual atmosphere the professors, officers, and their wives turned out to be not only human but very entertaining.

And then there was the pledge dance last week that looked more like an interfraternity council meeting — even though two neutrals—Sammy and Gina Guarnaccia—stole the show rolling up and down the floor.

Big plans for the future department—leads off with the initiation of K.D.'s twelve pledges next Wednesday followed by the initiation banquet at Dog Team.

Orchids of the week, or should it be white roses, go to Dottie Britton who donned the Mortar Board cap and gown and to our new pledge, Babs Parker. All the pledges reversed social order and entertained the KDs week-end before last at Dunmore.

Kappa Kappa Gamma

May 1: Along with flowers, May Day brought a flock of Kappas and their dates to a dinner dance at the Middlebury Inn. The feast was climaxed by a rousing song-fest, led by Kappa alum, Mrs. "Cap" Wiley at the "88," and versatile Mr. Wiley, who guided the tuneful mob.

May 3: The Kappas safaried out beyond the familiar (?) cemetery territory (my! how different in the daylight!) to the great unknown. It was the annual scholarship picnic. Amidst circling Kappas, her mouth full of singed hot-dog, the astonished Janie Drummond received the scholarship award. The ever-drooling, canine pal George arrived midway through the shindig, but was sent packing as soon as people realized he wasn't a Kappa in a fur coat.

May 10: Kappas were briefed for their coming invasion of Lake Dunmore territory this week-end. Equipment needed: appetites, water wings and Eskimo suits.

Phi Mu

Still a little black around the ears and unable to shake off the "Gentlemen, be seated" accent, we're slowly recovering from the Phi Mu Show Boat of last Monday. All the sororities and invited faculty members jammed themselves into our rooms and were duly appreciative. Anyway, we sho' did have a good time puttin' on de show.

We did bon voyage to Mary D. Miller, Phi Mu graduate student, at a banquet at Dog Team last Friday night. Mary D. is heading for the warm sunshine of Tennessee and points south.

Belated congratulations to Pat Wulp for her newly-elected berth on the *Kaleid* staff.

Pi Beta Phi

Appreciation is due to the editor and managing editor of the CAMPUS who, with this issue, finish a year of very hard and often thankless work. Bob and Janey have done a fine thing for the paper and the college. They deserve our sincere gratitude.

Sigma Kappa

We invaded an unsuspecting town the other night trying to get some of the articles assigned to us by the fiendish freshmen during the scavenger hunt.

It wasn't our love for the great outdoors that drove us to recline in the grass on the green—merely exhaustion after beating pillows during spring house cleaning. Anyone who wants to hire some expert floor washers would do well to see us.

The banquet at Dog Team after initiation was wonderful, and all had a good time despite the red glow seen everywhere due to the majors in sunbathing. Importance and fun were added to the occasion by the presence of Mrs. J. A. Hunter, mother of one of the initiates, and two of the members of the Worcester Alumnae Chapter—Mrs. Malone and Mrs. Parmenter. Memo to the freshmen: we want to hear more about the oyster's "itching sides!"

4.00 p.m.—Spanish Club picnic, Breadloaf

BOULDER SOCIETY HOST AT BANQUET

(*Continued from page 3*)

Walter M. Bronson, editor of the *Norwich Guidon,* suggested that a trophy, sponsored by the student bodies of the four colleges, be awarded to the college having the best football team. This would encourage rivalry on a friendly basis and stop the destruction characteristic of the past football seasons.

Because they lacked the authority to act on this and other proposals, the representatives agreed to refer the suggestions to their respective student bodies for discussion.

It was decided to continue the meetings next year, when more decisive action could be taken, with the proposal that each college, in rotation, would act as host, thus establishing a permanent custom.

News In Paragraphs

(*Continued from page 2*)

the Office of Naval Officer Procurer Navy Building, 495 Summer Street, ton, Mass.

F. Richard Blue '49, was recently el leader of the Breadloaf Ski Patrol. P W. Porter '50, will be in charge o patrol equipment. Mr. Blue states requirements for the new patrol wil more rigid, in order that a small, effi unit can be maintained.

Building fires and leaving refuse in forest area south of the cemetery west of the golf course are strictly hibited by the owners. Substantial may be imposed for building fires on vate or public property without per sion.
